

*Saturday May 16th 10am
TOTS Community Clean-up Day And
Pot luck Dinner*

The Board would like to invite all association members to participate in a "Community Clean Up Day" and pot luck dinner on Saturday May 16th, starting at 10:00am. We realize that not everyone is available or able to participate in the clean up, but we would still love to share in your companionship and perhaps a favorite dish after the clean up is complete around 6PM. Below you will find a list of tasks we hope to accomplish. If you could please give Tom or Barb a call at 508-864-4742 any evening after 6pm, send an e-mail at tommario@comcast.net or an e-mail to Amy and Jim at Jlesper148@comcast.net if you find that easier, to let us know if you have a preference in working on a particular task, or to let us know what culinary treat you might think of sharing with your neighbors. This event was a great success previously and not only saved the Association money which was utilized on other needed projects, but also provided an excellent opportunity for neighbors to get to know each other better. We hope to see you on May 16th!

Respectfully;

TOTS Board

Clean garages	Vacuum common areas	Wash back slidders
Dust doorways	Clean assos. storage cage	Sweep drive way
Rake grass	Clean front outside windows	Clean awning,rails
Paint outside balcony wooden railing brackets		

(Or another cleaning task you might want to suggest)
